# Hotel Highlight

## Zenagi

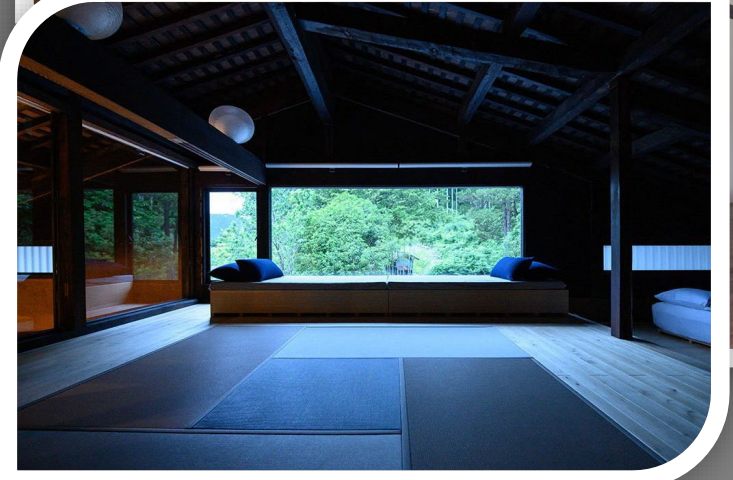

A luxury, wellness, fine dining and experience based property nestled deep in the scenic Kiso Valley of central Japan

Zenagi has only three rooms, which can each accommodate up to four people – ideal for families and small groups

Booking Zenagi can mean clients have the whole place to themselves

Experiences at Zenagi are led by Olympic athletes and other highly skilled staff members

# Zenagi Stay

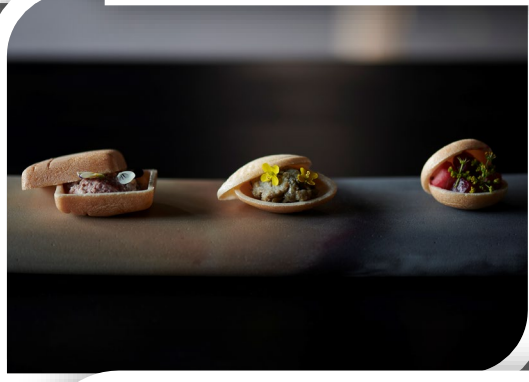

The main building is a beautifully renovated 300 year old house

The walls are covered with washi paper reinforced with iron and copper, while the furniture is handmade by local craftsmen and artists

All the rooms are maisonette style with bathroom and toilet on the first floor and living space and bed room upstairs

Rooms range from 70 to 82 sqm and have either 2 or 3 double beds plus daybeds and tatami for extra futon

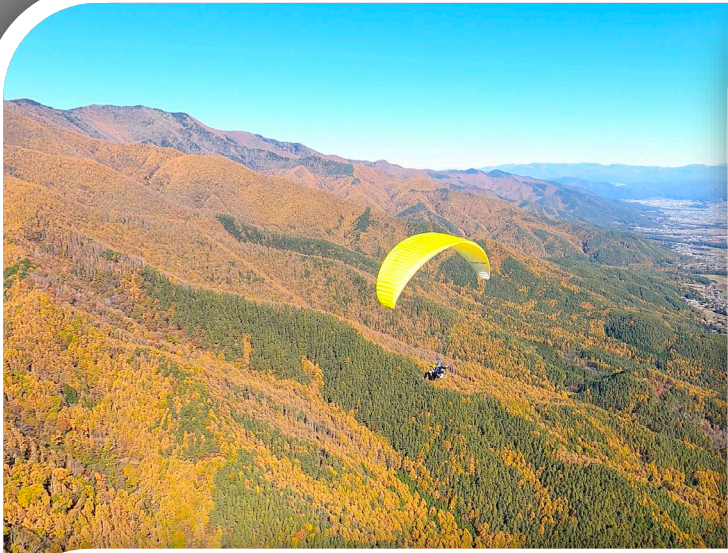

# Zenagi Dine

Locally sourced and organic ingredients - fresh fruit, mountain vegetables, foraged mushrooms and wild game meat from the forests of the Kiso Valley

The cuisine is a delicate Japanese French fusion created by award winning chefs

Dinners are fifteen course meals, while breakfasts are Western style, using fresh organic fruit and vegetables and homemade bread
